Developing Skills for a Peaceful Tomorrow

Conflict Resolution Enrichment Workshop

C.R.E.W. for Teachers, Parents and their children is a **TRAINING PROGRAM** that teaches **POSITIVE CONFLICT RESOLUTION SKILLS** through **THEATRE EDUCATION**.

- ◆ The **Teacher/ Parent C.R.E.W.** (Conflict Resolution Enrichment Workshops) will focus on decreasing negative behavior at home and in school, improving communication skills to foster more positive interactions in both settings. Parents will learn limit setting, effective communication skills, and non-violent discipline techniques. Teachers, as well, will learn and practice more effective conflict resolution skills in their classrooms. The lessons of C.R.E.W. are thus reinforced and practiced within the family and school settings.
- ◆ **Teachers** can receive **ONE Continuing Education Credit (CEU)** towards teacher re-certification upon completion of a minimum of ten instruction hours (Course is pre-approved by Guilford County Schools).
- ◆ Teachers and Parents may **bring their children (K-12th grade)** who will receive simultaneous age appropriate **interactive C.R.E.W.** programs focusing on such issues as **bullying, peer pressure, rumors & cliques** (Please contact Win-Win for more information on our Elementary and Middle/Upper C.R.E.W. programs).

Led by Professional Counselors and C.R.E.W instructors, Teachers and Parents will role-play conflict situations relevant to those in their classrooms and homes, gain knowledge of causes and types of conflicts, develop effective active listening skills for diffusing anger, implement valuable negotiation practices and learn a Five-Step approach to conflict management.

*Each **12-hour** C.R.E.W. Teacher/Parent training can accommodate up to **30 adults** (no maximum # on student participants) (Flexible scheduling available, see choices below). Please call for customized fees.
