Training Program for  
**PARENTS & Their CHILDREN**

# **C.R.E.W.**™ ...creating solutions Conflict Resolution Enrichment Workshops

**Family C.R.E.W. for Parents and their children** is a **TRAINING PROGRAM** that teaches **POSITIVE CONFLICT RESOLUTION SKILLS** through **THEATRE EDUCATION**.

- ◆ The **Family C.R.E.W.** (Conflict Resolution Enrichment Workshops) focuses on decreasing negative behavior at home, improving communication skills to foster more positive interactions in both home and subsequent school settings for the children. Parents will learn limit setting, effective communication skills, and non-violent discipline techniques. The lessons of C.R.E.W. are thus reinforced and practiced within the family setting.
- ◆ Parents may **bring their children (Pre-K-12<sup>th</sup> grade)** who will receive simultaneous age appropriate **interactive C.R.E.W.** programs focusing on such issues as **bullying, peer pressure, rumors & cliques** (Please contact Win-Win for more information on our Pre-K, Elementary and Middle/Upper C.R.E.W. programs).

Led by Professional Counselors and C.R.E.W. theatre instructors, Parents and their children will role-play conflict situations relevant to those in their homes, gain knowledge of causes and types of conflicts, develop effective active listening skills for diffusing anger, implement valuable negotiation practices and learn a Five-Step approach to conflict management.

\*Each **12-hour C.R.E.W. Family** training can accommodate up to **30 adults** (no maximum # of youth participants) (Flexible scheduling available, see choices below). Please call for customized fees.
